**CELEBRATING COMMUNITY HELPERS
(NURSERY-MONT II)**

Dear Parent

Namaskar!

As part of global citizenship, young children must be provided with a platform to understand the important contribution of local community to which they belong to. We feel safe and secure because of the service provided by various community helpers. Through this theme, we aim towards introducing to our students the role of community helpers and their services to the nation.

Role play as a tool will help our students to bring the community helpers into the classroom. Therefore, you are requested to send your wards to school dressed up like a community helper and make them learn 2-3 lines about their roles on Friday, 30th September, 2022. Students will speak their lines in their respective costumes in front of their peers and enjoy the world of role playing through this activity.

We look forward to your support in this endeavour!

Best wishes,

Jyoti Gupta

Principal
