**HEALTHY ORAL HYGIENE
(NURSERY-MONT II)**

Dear Parent

Namaskar!

At, BBPS Khandwa, we believe that workshops play a key role in creating an integral learning environment for our children and their parents. Keeping this in mind, a workshop on “**Healthy Oral Hygiene**” is being organized in the school premises on 27th September, 2022 to make our students of Nursery – Mont II more conscious about the importance of healthy oral hygiene in their daily lives.

This enlightening and informative session by Dr. C.L.Gour, BDS, Dental Surgeon will help our students to develop healthy dental hygiene and adapt self-care techniques. We look forward to your support.

Best wishes,
Jyoti Gupta
Principal
