

**National Library Week Celebrations
(14th November - 20th November)**

A library plays an important role in our academic and social lives. They encourage and promote the process of learning and grasping knowledge. Libraries are meant to give an extra boost to our knowledge. Libraries are a crucial source of information for children in schools. It creates the essential habit of reading in students. It encourages the development of the group and individual learners, assists in the development of the vocabulary of students, increases comprehension, instills the habit of reading in silence. The school is happy to organize National Library week, for students from 14th Nov- 20th Nov and will be hosting a series of literacy activities.
