Dear Parent,

The onset of a new school in the middle of the academic year has been challenging for all of us, as we unlearned the ‘old ways’ of doing things and relearned several new ‘ones’. We are extremely proud of the resilience exhibited by our young learners who have wonderfully coped with the demands of the changed educational scenario, challenges and difficulties that came packaged along with the pandemic. A word of gratitude for our ever supportive parents, who are keeping pace with the new school and collaborating with teachers to ensure quality of education for their wards. During the course of each academic year, we come across a lot of opportunities, challenges and sometimes setbacks, but overcoming obstacles bring genuine joy and gratification as we move a step closer towards our goals. We at Bal Bharati Public School, Khandwa look forward to stepping into the new journey with our eyes set at the zenith of success and glory. In the ongoing story of creating a strong foundation among all stakeholders, we proudly bring forth a class wise Parent Orientation Programme wherein the Principal and Teachers will highlight the salient features of National Education Policy and the Assessment Criteria that is being integrated in our school system, as per the CBSE directives.

Kindly find details of the orientation programme below. We request you to attend the same for the best understanding of our teaching style and school system.
