Ostrich

The ostrich looks like a bird that has been pulled by the head. It is taller than a tent because it can grow to height of 2 metres. The male ostrich is black and white like the newspaper. The female ostrich is grey like the clouds.

When ostriches run, they look like mad old men. An adult ostrich can run faster than a car. It runs at the speed of 60 km/h. An ostrich baby looks like a chicken. It is looked after by its parents till it becomes independent. An ostrich bird is different from other birds as it cannot fly. Some other birds like the emu and the hen cannot fly too.
