Parents are requested to send their **children dressed in Green colour clothes**, on that day. We will engage in multiple fun activities that will help students learn and relate with the concept of colour GREEN. We request our parents to be encouraging and supportive towards this endeavor.

**SHOW – N – TELL ACTIVITY**

Students will be taught about various things in Green colour like grapes /pear /ladyfinger / trees/ green capsicum/ sunflower/ gourd etc in their class. To reinforce the concepts taught in the class, parents are requested to send any one green object, like vegetables, animals etc made up of green colour papers for a Show-n-tell activity. Make children learn 2-3 lines to speak about that object while they show their respective green objects.
