**BLUE DAY CELEBRATIONS
NURSERY & MONT I-II**

Dear Parent

Namaskar!

Our students have learnt the colour 'BLUE'. To mark this milestone, we will be celebrating 'Blue Day' on Tuesday, 14th March, 2023. To commemorate the event, parents are requested to send their wards dressed in Blue colour clothes under the theme of Fancy Dress, mentioned below. Students will be engaged in multiple fun and learning activities in their respective classrooms that will help them relate and reinforce with the concept of colour BLUE.

FANCY DRESS ACTIVITY

We have categorized our classes under different themes highlighting blue colour. Parents to send their wards dressed up under the respective themes given below:

MONT-II -BLUE (UNDER WATER)

MONT-I - BLUE SKY

NURSERY- BLUE FLORA AND FAUNA

SHOW – N – TELL ACTIVITY

Students will be taught about various things in blue colour like water and under-water, blue berry, sky, etc. in their classes. To reinforce the concepts taught in the class, parents are requested to send any one blue object, like vegetables, animals etc. made up of blue colour for a Show-n-Tell activity. Children can speak 2-3 lines about that object while they show their respective blue objects.

We request our parents to be encouraging and supportive towards this endeavor.

Thanking you,

Regards
