Dear Parent

Since the beginning of the new academic session, students have been engaged in multiple club activities to give them an idea of clubs in a school system. We are happy to announce that the school is initiating clubs for Class I–VII, after the summer break. These club activities, conducted term wise, will enhance the creative expression as well as personality development of our students.

You are requested to kindly help your ward make choices (1st, 2nd & 3rd preference) from the options provided below and submit the consent by Thursday 27th April, 2023 to the class teacher.
