BLUE DAY CELEBRATIONS

Creating memories while celebrating Blue Day at Preschool and Preprimary wings.

The Kindergarten section of Bal Bharati Public School, Khandwa celebrated Blue Day on 14th March, 2023. It was a pleasant and a cool blue day for the tiny tots.

The significance of blue color was reiterated through a series of activities. The dress code of the day was blue. Excitement and enthusiasm was visible everywhere. All the children came dressed up in different shades and hues of blue. The children were introduced to different shades of blue.

Blue – the color of loyalty, strength, wisdom and trust had a very positive impact on tiny tots bringing in harmony and brotherhood.

Clad in blue dresses, students were made to recognize blue color through different games and play-way activities. An array of blue colored objects were at display thus providing the students opportunities to have a clear sense of the color and its importance.

Blue Day was an amazing learning experience which had a long lasting effect on each student. Early identification of colors helped to create the cognitive link between visual clues and words which is an important part of a child's development.

It was indeed a visual treat to see the good effects of blue color on our little ones.
