Dated: August 26, 2023

JANMASHTAMI CELEBRATIONS
(Nursery-Mont I - II)

Dear Parent

Namaskar!

To commemorate the festival of Janmashtami, the school will organize a series of interesting activities on Wednesday, i.e. 6th September, 2023 in the school premises for our young toddlers of Nursery, Mont I & II. We request your encouragement and support in the below endeavours:

1. Special Assembly on Janmashtami by students of class Mont I and Mont II will be organized that your wards will attend, witness and enjoy. Mont II will be engaged in colouring 'Makhan Matki'. Kindly send one small earthen pot (matki) and poster colours along with paint brush, apron for earthen pot coloring. Students of Class Mont – II will perform dance and a bhajan in the morning assembly which they will learn in school.
2. Interested students from Nursery and Mont I may recite a poem, sing bhajans, dance or say few lines on the theme of the festival in the assembly. (Optional) They will also enjoy colouring Maakhan which is a fun worksheet in their art class. Students need to bring colours for the same.
3. For all classes: We will appreciate if the girls attend the school in Indian lehenga choli and boys in traditional kurta pyajamas. This is optional and students may come in school uniform too.

***Wishing you and your beautiful family a
'Happy Janmashtami'!***

Best Wishes
Jyoti Gupta
