Library Week Celebration

A library plays an important role in our academic and social lives. They encourage and promote the process of learning and grasping knowledge. Libraries are meant to give an extra boost to our knowledge. Libraries are a crucial source of information for children in schools. It creates the essential habit of reading in students. It encourages the development of the group and individual learners, assists in the development of the vocabulary of students, increases comprehension, and instills the habit of reading in silence.

The school is happy to organize National Library Week, for students of Primary and Middle wings from 24th Nov- 30th Nov and will be hosting a series of literary activities. We had also invited an eminent writer and poet for a storytelling session on 23rd November for the students of Primary & Middle wings. Apart from the below mentioned activities, students will be made to visit Library for reading activities in their Library/ English/ Hindi/ Sanskrit periods.
