JANMASHTAMI CELEBRATIONS

PS-PP

Janmashtami is celebrated as a symbol of the end of darkness and rooting out of the evil forces.

A splendid and colourful performance by the students of PS and PP depicting the birth of Lord Krishna with a message of victory of good over evil was depicting. Students truly communicated the message that "Every moment of life is worth a Celebration. The more you praise and celebrate life, the more there is in life to celebrate."

Children came dressed in ethnic wear as Radha and Krishna. The presentation depicted the varied images of life from birth to manhood transporting one to the world of splendour, colour, myth and legend. It was a beautiful presentation with joyous melody and twirling dancers.

EID CELEBRATIONS

PS-PP

Eid, the festival that upholds the spirit of brotherhood, love and secularism, was celebrated with great enthusiasm by the students of Pre-Primary. Through their performances, the Pre-Primary students brought out the significance of Eid. The spirit of Eid was also well imbibed by the students. The dance performance, in remembrance of the beloved Allah, on the tunes of Qawwali filled the environment with happiness and love.

HNDI DIWAS CELEBRATIONS

वर्ष 1918 में गांधी जी ने हिन्दी साहित्य सम्मेलन में हिन्दी भाषा को राजभाषा बनाने को कहा था। इसे गांधी जी ने जनमानस की भाषा भी कहा था। वर्ष 1949 में स्वतंत्र भारत की राजभाषा के प्रश्न पर 14 सितम्बर 1949 को काफी विचार-विमर्श के बाद यह निर्णय लिया गया जो भारतीय संविधान के भाग 17 के अध्याय की अनुच्छेद 343(1) में इस प्रकार वर्णित है: संघ की राजभाषा हिन्दी और लिपि देवनागरी होगी। संघ के राजकीय प्रयोजनों के लिए प्रयोग होने वाले अंकों का रूप अन्तरराष्ट्रीय रूप होगा।

यह निर्णय 14 सितम्बर को लिया गया, इसी दिन हिन्दी के मूर्धन्य साहित्यकार व्योहार राजेन्द्र सिंह का 50वाँ जन्मदिन था, इस कारण हिन्दी दिवस के लिए इस दिन को श्रेष्ठ माना गया था। हालांकि जब राष्ट्रभाषा के रूप में इसे चुना गया और लागू किया गया तो अ-हिन्दी भाषी राज्य के लोग इसका विरोध करने लगे और अंग्रेजी को भी राजभाषा का दर्जा देना पड़ा।

बाल भारती पब्लिक स्कूल खंडवा (एस एस टी पी पी) के पूर्व प्राथमिक और प्रारंभिक कक्षा के बच्चों द्वारा आज 14 सितंबर को हिंदी दिवस के उपलक्ष्य पर कविता पाठ, लघु भाषण जैसे आकर्षक कार्यक्रम प्रस्तुत किए गए।

Students of PS -PP celebrated Hindi Diwas.

TEACHERS' DAY CELEBRATIONS

Teachers' Day Celebrations at Bal Bharati Public School culminated with stupendous performances by students for their lovely teachers.

After a fabulous day at school, the teachers were invited to a dinner hosted by SSTPP to make the day even more special

A student driven special assembly organised by student council for their lovely teachers on Teachers' Day.

A good teacher can change the lives of young minds and shape their future for the better!

To acknowledge and appreciate the hard work, dedication, and contributions of teachers, the students of BBPS organised a spectacular event which comprised of various cultural performances.

Teachers receiving gratitude cards as a gesture of appreciation from the newly appointed Student Council.

A good teacher not only imparts knowledge to their students but they inspire, encourage and instil curiosity to find solutions to problems

RED DAY CELEBRATIONS

PS - PP

On 19th September 2023 , Bal Bharati Public School, Khandwa celebrated 'Red Day' with the students of pre-school and pre-primary wings.

The motive of celebrating this day was to make the children aware of red color, its significance and to develop fine motor skills. This day dedicated to red color was marked with children dressed in different hues and tints of red. Students were beautifully dressed in their favourite red dresses.

Sparkling with optimism, enlightenment and happiness, students were engaged in multiple fun activities. The activities included Show-n-tell activity , group songs and play way communication based activity. In the Show-n-tell activity, students were asked to bring one red coloured item such as fruit or vegetable and speak a few lines on that item. Students also performed class wise group songs and did colouring & paper crafts activities. Thus, it was a scintillating day with innocent faces gleaming and reflecting brightness, joy, love and happiness.

NATIONAL DEWORMING DAY

The National Deworming Day program was conducted on 12 September 2023.

All children aged 1-19 were given a single dose of Albendazole, a medicine that kills stomach worms.

INTER-HOUSE COMPETITIONS

Inter House Maths Quiz

An exciting Inter-House Maths Quiz competition was held on 1st September 2023. The students of different classes along with respective house participants were the enthusiastic audience to witness this exciting event. The students were indulged in house meetings, preliminary round of quiz and discussion sessions.

The quiz was divided into four rounds namely Choose the correct one, Rapid Fire, Buzzer Round and Guess the visuals.

Every round was a mixed bag with questions from numeracy, calculations, equations, patterns to name a few. All the students were at the edge of their seats to know the answers and the participants were very active. The questions put forth to the teams were intriguing, exciting and made the audience applaud excitedly when the teams answered correctly. This quiz truly was a learning experience, for both the audience and the participants.

In the end, Ashoka house bagged the first position, scoring a total of 105 points (Class 1 & 2), Shivaji house was placed at the first position with 95 points (Class 3 & 4). Shastri house secured the first place with a total of 105 points (Class V - VII).

As they say 'Victory is in the quality of competition and not the final score', BBPS Khandwa congratulates and applauds all the participants.

Inter House Kho - Kho Competition

"Strength does not come from physical capacity. It comes from an indomitable will."

With unshakable willpower and sturdiness, the Primary and Middle Wing of Bal Bharati Public School, Khandwa took part in an ***Inter House Kho Kho Tournament***. The tournament was organised, with the girls and boys of the respective teams participating with enthusiastic and unmatched energy.

Our Primary and Middle School graders cheered on their house mates as they watched the intense, fast-paced and nerve wrecking matches. Shivaji House ultimately won the tournament in the girls category, and Ashoka House won in the boys category. The second position was bagged by Subhash House (Boys), Shastri House (Girls). The third position was bagged by Shastri House (Boys) and Subhash House (Girls).

Competitive spirit combined with exposure to indigenous games helps students become self-assured. Practice of indigenous games will help young Bal Bharatians improve their agility, strength, balance, reflexes, hand-eye coordination, accuracy, strategy, intuition and patience.

The day also witnessed a friendly Kho - Kho match between two teams of teachers, putting their best foot forward to win. The tournament came to an end with the certificate distribution ceremony.

We appreciate all the teams for their spirit of sportsmanship and brilliant teamwork.

CERTIFICATE DISTRIBUTION

LET'S LEARN (SUBJECT ENRICHMENT ACTIVITIES)

FIRST AID DEMONSTRATION

CLASS: II

“If we teach today as we taught yesterday, we rob our children of tomorrow.” Advancement of technology in today's era brings opportunities and revolutionary innovation.

Humbled to share that Principal, BBPS Khandwa, Ms Jyoti Gupta, contributed to 'CONFLUENCE' - Navigating the Uncharted 2023, a conference in Indore, as an esteemed panellist. The topic of discussion for which was 'How is Teachers' role Changing in the technology-powered world.'

LEARNING IN LIBRARY

Library Period - Solving worksheet of National Sports Day

LIFE CYCLE OF BUTTERFLY

PS-PP

A fun and engaging colouring activity was conducted for our pre - schoolers. Colouring activity, not only enhances creativity but also helps in improving motor skills and handwriting. It most importantly helps in relaxation and developing patience.

Our tiny tots creatively coloured the butterfly worksheets. They also, curiously, saw the life cycle of a butterfly in animated form and learnt from it. The students had a fun time learning about the world of butterflies.

EXPLORING OUTDOORS - NATURE WALK

It's always fun to help and be with our green friends as they have so much to offer!

A 'Nature Walk' was organised for students of Mont II, to make them connect with Nature on a deeper level by exploring their senses. Our tiny tots were encouraged to observe plants, insects, flowers, twigs, dried leaves, branches to feel their texture, observe their colours, notice the sounds around them and imbibe the feeling of being one with nature.

They were also indulged in a group activity wherein they took a deep breathe and were explained about the good air (oxygen) that we inhale along with the bad air (carbon dioxide) that we exhale while plants on the other hand do the opposite, therefore it is good for us to be in the midst of greenery often.

As the weather was bracing and pleasant in the morning, our tiny tots thoroughly enjoyed the open - air outing in the lap of greenery.

EXPLORING GLOBE

Identification of countries, seven wonders and essential geographical features.

CLASS: I

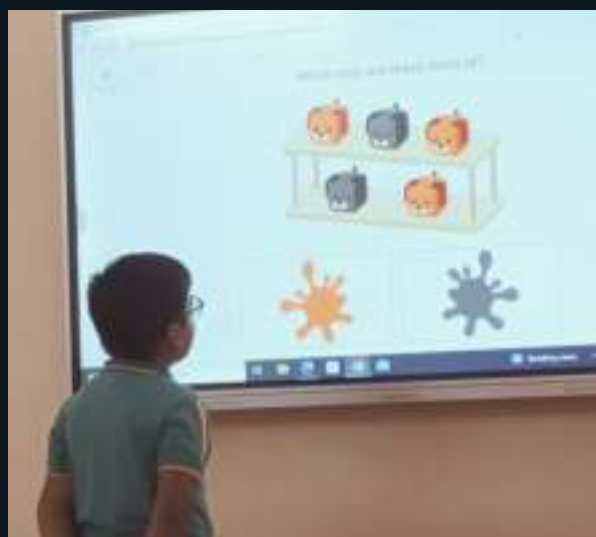

MEASUREMENT

Learning traditional and standard methods of measurement.
Describing units of measure using measuring tools.

Logical reasoning :- Provide an insight into the cognitive and problem-solving abilities of your candidates through a quick and easy assessment.

हेमा की चाँद से मुलाकात

आज हेमा का जन्मदिन है। वो बहुत खुश है। उपहार में उसके पिताजी ने उसे "मून-लाइट" दी है। वह उपहार पाकर बहुत खुश है। वह उसे लेकर अपने कमरे में सोने चली गई।

सोते वक्त उसे सपना आया कि चाँद उस से बातें कर रहा है और बोल रहा है कि क्या तुम मेरे साथ चलोगी? उसने झट से बोला, "हाँ"। हेमा चाँद के साथ चली गई। उसे चाँद पर जाकर बहुत अच्छा लगा। वहाँ बच्चे खेल रहे हैं। चिड़िया गीत सुना रही है। बड़े लोग बातें कर रहे हैं। वहाँ बहुत सफाई है। फिर चाँद ने हेमा से कहाँ, "मैं तुम्हें तुम्हारे घर छोड़ देता हूँ"।

हेमा ने बोला, "नहीं मामा, मुझे यहीं पर ही रहना है। चाँद ने कहाँ, "अब तो तुम मेरे पास कभी भी आ सकती हो क्योंकि टेक्नोलॉजी इतनी बढ़ गयी है"। तभी हेमा की माँ उसे जगाते हुए कहती है, "हेमा उठ जाओ, स्कूल जाना है"। हेमा स्कूल चली जाती है।

HAPTCHI ONLINE SESSION

Bal Bharati Public School, recognises that each child has specific needs and challenges. Therefore, our approach is tailored to each student, ensuring that each child receives the individualised support and attention necessary to flourish in a safe and healthy environment.

Keeping the same in mind, the school conducted online workshop with Haptchi, an innovative digital platform, dedicated to providing a safe and protective space for your students, that conducted a meticulously crafted session on POSITIVE LANGUAGE for grades VI and VII.

The session helped our students to combat problematic areas of adolescence.

PARENT TEACHER MEETING

A Parent Teacher Meet was held on 16th September, 2023. The event witnessed successful attendance thus displaying enthusiastic interest among parents for the smooth working and progress of the school. The main objective of the meeting was to create a common platform, where teacher and parents come together to discuss student's performance and devise ways to enrich their learning experience. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance. Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the school.

PRINCIPAL AT THE CONFLUENCE

“If we teach today as we taught yesterday, we rob our children of tomorrow.” Advancement of technology in today’s era brings opportunities and revolutionary innovation.

Humbled to share that Principal, BBPS Khandwa, Ms Jyoti Gupta, contributed to ‘CONFLUENCE’ - Navigating the Uncharted 2023, a conference in Fairland Marriot organised by IPN Foundation Indore, as an esteemed panellist. The topic of discussion was ‘How is Teachers' role Changing in the technology-powered world.’

Ms Jyoti Gupta, Principal along with eminent principals from different schools of Madhya Pradesh

UNVEILING OF STATUE OF ONENESS

“Principal along with School Vice Chairperson Shri RK Sahu, Additional CEs, SSTPP and other senior plant officials were invited to attend and witness the unveiling of the 108-foot-tall 'Statue of Oneness' of Adi Shankaracharya by Madhya Pradesh Chief Minister Shivraj Singh Chouhan at Omkareshwar in the poll-bound on September 21.

TRAINING & WORKSHOP

An online workshop on "Psychological First Aid In School" was organized by [IPN Academy] on [29/09/2023]. The workshop aimed to provide insights into understanding children's psychological health, identifying their problems, and fostering a sense of care and concern for their well-being.

Understanding Child Psychology: The workshop emphasized the importance of understanding the unique psychological needs and developmental stages of children. It highlighted that every child is different, and their experiences and emotions should be acknowledged and respected.

Recognizing Problems: Participants learned how to identify signs of common psychological issues in children, such as anxiety, depression, and behavioral challenges. The workshop stressed the importance of early detection to provide timely support.

Effective Communication: The session included practical tips for open and empathetic communication with children. Effective listening, asking open-ended questions, and validating their feelings were highlighted as essential skills.

Care and Concern: The workshop stressed the significance of creating a nurturing and supportive environment in schools and at home. Participants were encouraged to show genuine care and concern for children's emotional well-being.

The online workshop on psychological first aid for child psychological health provided valuable insights into the complexities of children's emotional and mental well-being. It underlined the significance of empathy, active listening, and early intervention to support children in their emotional journeys. This knowledge will undoubtedly help in creating a more supportive and caring environment for students in School.

Certification Programmes

@ BBPS Khandwa

Reflection on our own culture and power dynamics was focused upon.

Equity, diversity, and critical reflection in classroom teaching were discussed.

21st century skills of learning which included communication, character building, collaboration, critical thinking, creativity, and imagination and collaboration in classroom teaching.

To fill the gap of language in learning and to develop competency for culturally responsive teaching, was discussed.

IoT security (internet of things security) is the technology segment focused on safeguarding connected devices and networks in IoT. IoT involves adding internet connectivity to a system of interrelated computing devices, mechanical and digital machines, objects, animals and people. Each thing has a unique identifier and the ability to automatically transfer data over a network. However, enabling devices to connect to the internet opens them up to serious vulnerabilities if they aren't properly protected.
