**BLUE DAY CELEBRATIONS
NURSERY & MONT I-II**

Dear Parent

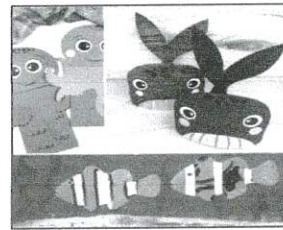

Namaskar!

Our students have learnt the colour 'BLUE'. To mark this milestone, we will be celebrating 'Blue Day' on Friday, 23rd February, 2024. To commemorate the event, parents are requested to send their wards dressed in Blue colour clothes. Students will be engaged in multiple fun and learning activities in their respective classrooms that will help them relate and reinforce with the concept of colour BLUE.

Students will be offered a drink blue colour to add a fun element to the day.

PLAY DOUGH ACTIVITY

All students must carry play-dough (of colour blue) to create an item that symbolizes blue, in the guidance of their class teachers.

SHOW - N - TELL ACTIVITY

Students will be taught about various things in blue colour like water and under-water, blue berry, sky, etc. in their classes. To reinforce the concepts taught in the class, parents are requested to send any one blue object for a Show-n-Tell activity. Children can speak 2-3 lines about that object while they show their respective blue objects.

We request our parents to be encouraging and supportive towards this endeavor.

Thanking you,

Regards

Jyoti Gupta
