## Embracing the Magic of Christmas: Preschool and Pre-Primary

Amidst twinkling lights and shimmering tinsel, our Christmas tree stood as a symbol of joy and anticipation. Adorned with handmade ornaments and colorful decorations, it radiated the creative energy of our students. In the days leading up to the celebration, little hands eagerly crafted ornaments, each one a testament to their imagination and enthusiasm.

With guidance from teachers, students worked together to decorate the tree, sharing ideas and laughter as they brought their vision to life. From glittering stars to whimsical snowflakes, every decoration reflected the unique spirit of our school community.

The air was filled with the sweet sound of children's voices as they gathered to sing beloved Christmas carols. Led by dedicated teachers, our young performers joyfully shared the timeless melodies that captured the essence of the season. Through songs of hope, love, and peace, our students learnt the importance of spreading happiness and kindness to others.

From classics like "Jingle Bells" to heartfelt renditions of "Away in a Manger," each carol resonated with the innocence and sincerity of childhood.

Our students handcrafted ornaments, stringed garlands and carefully placed tinsel on the Christmas tree. Every contribution added to the enchantment of our festive celebration.*
