

**GREEN DAY CELEBRATIONS  
(NURSERY - MONT 1 & 2)**

**Dear Parent**

*Namaskar!*

Our students have learnt the colour GREEN. To mark this milestone, we will be celebrating Tuesday, 12 March, 2024 as Green Day. Parents are requested to send their **children dressed in Green colour clothes**, on that day. We will engage in multiple fun activities that will help students learn and relate with the concept of colour GREEN. We request our parents to be encouraging and supportive towards this endeavor.

**ADOPT A PLANT**

Students will bring a vase/ pot/ used bottle cut into halves, filled with soil along with a small sapling dug in it. The vase should have the name of the ward written and pasted on it. This will be kept in our green corners & students will adopt this plant and water them every day.

**SHOW – N – TELL ACTIVITY**

Students will be taught about various things in Green colour like grapes/guava/spinach /ladyfinger / trees/ green capsicum/ gourd etc. in their class. To reinforce the concepts taught in the class, parents are requested to send any one green object, like vegetables, animals etc. made up of green colour papers for a Show-n-tell activity. We request you to help your ward learn 2-3 lines to speak, while they show their respective green objects.

**FRUIT AND LUNCH BREAKS**

Students to bring a green fruit or green salad for fruit break and lunch meal filled with food items green in colour.

**PLEDGE TAKING CEREMONY FOR NURSERY TO MONT 2**

Students will take a pledge on green day to save Earth, in their respective classes.

**FILM WATCHING AND GREEN SONG**

All students will watch a film on the theme and sing a song on “going green”.

**Think green, Go green!!**

Thanking you,

**Regards**

**Jyoti Gupta**

**Principal**

**Bal Bharati Public School, Khandwa**
