Our Pre-Primary Graduation Day Extravaganza!

Amidst a symphony of laughter, cheers, and applause, we commemorated a truly enchanting Pre-Primary Graduation Day at Bal Bharati Public School, Khandwa!

With esteemed guests, Mrs. and Mr. Nimbulkar, Additional CE of the O and M department at SSTPP, gracing us with their presence, our ceremony was nothing short of spectacular! But that was not all – we were honored to have Senior Doctor Sheikh Rizwan from Charak Hospital, Mundi, as our esteemed Guest of Honor, adding an extra sparkle to our festivities!

The stage was set ablaze with captivating song and dance presentations, showcasing the incredible talents and boundless energy of our little stars! And as the sun set on this magical day, we proudly presented our graduates with their well-deserved promotion certificates, marking the beginning of their next big adventure!

Of course, no celebration is complete without a touch of sweetness! Our cake-cutting ceremony was a joyous affair, filled with laughter, smiles, and endless memories in the making!

Green Day Celebration at Bal Bharati Public School, Khandwa: Nurturing Environmental Awareness

Our preschool and pre-primary classes embraced the spirit of environmental consciousness on March 12, 2024, with a vibrant Green Day celebration. Dressed in various shades of green, our students engaged in activities aimed at fostering appreciation for nature.

The day kicked off with the 'Adopt a Plant' initiative, where each child brought a plant to nurture in our dedicated 'Green Corner'. 'Show and Tell' activities followed, showcasing the children's newfound knowledge.

During breaks, our young environmentalists enjoyed green-themed snacks, adding a colorful twist to their meals.

The highlight was the Pledge Taking Ceremony, uniting students, teachers, and staff in a commitment to protect our planet. A special film screening and song session reinforced the importance of 'Going Green'.

The Green Day Celebration at BBPS, Khandwa not only educated our students about nature but also instilled a sense of responsibility towards the environment.

Empowering Educators: Insightful Workshop on Holistic Learning

Ms. Neelam Ahuja, our esteemed CES advisor, conducted an enriching online workshop tailored for teachers. The session focused on creating a nurturing and effective learning environment for our students.

*The session was centred around several critical aspects of education, starting with the concept of a *prepared environment*. She emphasized how a well-organized, student-centered classroom can foster independence and encourage self-directed learning among children.*

Ms. Ahuja illustrated how structured routines and purposeful physical activities contribute to a child's cognitive development and overall well-being.

She also provided practical strategies for teachers to help students develop essential interpersonal skills, promoting empathy, cooperation, and effective communication.
