**Village Connections: A Day of Learning & Giving Back**

Dear Parents,  
Namaskar!

We are excited to inform you that on **October 13th, 2024 (Sunday)**, our students from **Classes 6, 7, and 8** will have the unique opportunity to participate in Rural Visit Day, during which students will be taken to a nearby village as part of our engagement with the distinguished delegation from Denmark. The students will be accompanied by staff members of our school and Danish delegation.

This event aims to immerse our students in the rural traditions and lifestyle, offering a hands-on experience of the rich cultural heritage that India has to offer.

The time for this outing, which will be organized during the afternoon hours, will be communicated to you in advance. This experience will not only enhance their understanding of rural culture but also strengthen the bond of cultural exchange between India and Denmark.

In conjunction with this event, we are also conducting our **Annual Collection Drive**, titled "Threads of Compassion." The items collected as part of this initiative will be offered to those in need in our community.

To ensure your child's participation in the Rural Visit Day, we request you to submit the attached consent form by **October 10th, 2024**.

Warm regards,

*Jyoti Gupta*
