Dear Parents,

We are thrilled to announce that our school has been selected to participate in the prestigious **National Young Authors' Fair 2024-25**, the world's largest book-writing competition for students! This extraordinary event brings together young minds from over 26 countries, and we are honored to be part of this global movement aimed at publishing **1 million books**, with India leading the way in creativity and innovation.

Our students now have the unique opportunity to become a published author through the **AI-assisted Bribooks Platform**. Writing a book has never been easier, with access to over 20,000 illustrations, as well as the ability to upload custom images and drawing, students can fully personalize their books, allowing their creativity to shine.

Students of grade I to VIII can choose from 8 different genres of writing, with awards available in each category. There is also the opportunity to compete for the prestigious Pinnacle Award, which includes special categories such as Best Genre Choice and Entrepreneur Author. The categories can be read once you open the link given below.
