*"The future of education is digital." – Michael J. Saylor*

Dear Parents,

As the future of education becomes increasingly digital, we aim to equip our students with the skills and creativity needed to excel in a technology-driven world.

We are excited to announce the celebration of *The CyberSphere: Computer Week for Innovators* at our school, aimed at fostering creativity, improving digital skills, and connecting technology with real-world experiences for students from Grade 1 to Grade 8. Below is an outline of the activities planned for each grade

**Venue – Computer Lab**

**Timings – During School Hours**

**Grade 1: "Fun with Colours" (Colouring in MS Paint)**

**Date – 13<sup>th</sup> Jan, 2025**

**Activity:** Students will create a "Digital Animal" or "Robot Friend" by experimenting with different shapes, lines, and colours using MS Paint.

**Grade 2: "Art Adventures with Tux Paint"**

**Date - 15<sup>th</sup> Jan, 2025**

**Activity:** Students will create a "Happy Day" or "Magic Forest Adventure," scene with a sun, flowers, and animals using Tux Paint's various features.

**Grade 3 & 4: "Fast Fingers, Smarter Minds"**

**Date - 15<sup>th</sup> Jan-16<sup>th</sup> Jan, 2025**

**Activity:** Students will complete an online typing challenge, aiming to improve their typing skills.

**Grade 5-8: "Exploring Traditional Banking at SBI"**

**Date – Tentatively on 18<sup>th</sup> Jan, 2025**

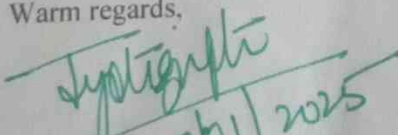

Students will visit the **State Bank of India (SBI)** to gain a first-hand understanding of traditional banking systems along with getting insights into how banks operate and the role technology plays in modern banking.

**Activity:** A guided tour of the bank and an interactive Q&A session about the banking process and digital tools in banking.

*Certificates will be awarded to students for active participation during the week.*

We look forward to an enriching week filled with learning and creativity! We encourage students to participate enthusiastically in all the activities planned for the week.

Warm regards,
