Summer Vacation Homework
Grade -V

Dear Students of Class 5

As we step into the much-awaited **summer break**, I want to take a moment to tell you how proud I am of each one of you. You've worked hard, learned new things, helped your friends, and brought smiles to our classroom every day. 🌟

Now it's time to **relax, recharge, and enjoy** the sunny days ahead!

🌸 Use this break to:

- Read a good book or two 📖
- Explore your hobbies 🧩 🎮 ⚽
- Spend time with your family and friends 👨👩👧
- Stay active and healthy 🚴 🌳
- And most importantly, **stay safe and happy** ❤️

Also, don't forget to complete your **holiday homework/projects** with love and creativity. 📖 🏠

I look forward to seeing your smiling faces after the holidays, ready for new adventures and learning!

Have a **fun-filled, joyful, and safe summer vacation!** ☀️ 🍉 🌴

Regards

SUBJECT-EVS

Chapter 1: Super Senses – Let's Be Little Scientists!

To be done in a separate creative file (not in science notebook)

Dear Young Explorers,

This vacation, you are going to become a “Super Sense Detective”!

We all have five super senses – Sight, Smell, Taste, Hearing, and Touch.

But guess what? Animals have superpowers in their senses too!

Your task is to observe, explore, and enjoy the world of senses around you through fun and creative activities!

Activity 1: “I Spy with My Super Eyes!” – Observation Drawing

- Sit in your balcony or garden for 15 minutes in the morning or evening.
 - Observe three different animals or birds.
 - Draw them and write:
 - What were they doing?
 - What sense were they using (smelling, hearing, seeing, etc.)?
 - How did you know?
- (Tip: You can paste feathers or dry leaves to decorate your page!)

Activity 2: “Sniff Sniff – What's That Smell?” – Smell Test

Take 5 small boxes or cups and place different items inside like clove, perfume, onion, soap, and orange peel.- Blindfold a family member and let them guess the smell. Write down their answers.

- Now YOU try it blindfolded. Were your guesses correct?

(Paste pictures or wrappers of the items you used.)

Activity 3: “Sound Safari!” – Sound Hunt Around You

- Go to your terrace or near your window and close your eyes for 5 minutes.
 - Write down at least 5 sounds you hear (e.g., bird chirping, bike horn, dog barking).
 - Which sound was the loudest? Which was the softest?
- (Add colorful sound bubbles with each sound written inside!)

Activity 4: “My Touch Box” – Texture Fun!

- Find 4 different objects from your home with different textures (e.g., sponge, foil, cotton, stone).
 - Paste or draw them and write: - Is it soft, hard, rough, smooth, warm, or cold?
 - Which one do you like to touch the most?

Activity 5: “Amazing Animal Sense Fact” – Fun Research

- Find out about any 1 animal that has a super sense (like a dog’s nose or owl’s eyes).
 - Draw or paste the animal picture and write one amazing fact about its special sense!

Activity 6 Science Exhibition - Model Preparation

- You all participated in the Science Exhibition last year, and this year too, you will be showcasing your creativity!
- Start preparing a working model on any science topic of your interest.
- You may use household materials or reusable items.
- Focus on presenting scientific ideas in a creative and meaningful way.

Instructions:

- All activities must be done in a separate colourful file or decorated pages – not in your science notebook.
- Be creative – use colors, drawings, stickers, old magazine cut-outs, etc.
- Complete all tasks with real observation and enjoy doing them like a sense explorer!
- If you have any doubts or questions, feel free to contact me – I'll be happy to help you!

Enjoy your holidays and keep your super senses sharp!

With warm wishes,
Science Teacher

SUBJECT-SPORTS

1. My Sports Diary (1 Week Challenge)

Maintain a daily fitness diary for one week. Write what physical activity you did each day (e.g., yoga, cycling, dancing, running, etc.).
