NOTE FROM THE CLASS TEACHER

Dear Parents,

Namaskar!

Summer vacation brings a change and excitement for children. It gives you an opportunity to develop an everlasting bond and to spend your precious time with your kids.

- To make your child more independent and healthy, kindly encourage your child to :-
Brush his/her teeth twice a day.
- Wash his/her hands before and after meal. Let your children eat by themselves.
- Keep the children hydrated with different kinds of fluids eg. Water, Lemonade, Juice, shakes, buttermilk etc.
- Wear his/her shoes and socks by himself or herself.
- Use magic words in day to day life – Sorry, Please, Excuse me, Thank you. Wish ‘Good Morning’ and ‘Good Night’ to their parents and elders.
- Learn his/her parent’s mobile numbers.
- Discourage eating snack while watching T.V. or playing video games.

Sharing is Caring

- Always encourage a child to offer whatever he / she is snacking on, to the others in the room.
- Children must be encouraged to share things like books, toys, colours etc with friends, siblings and cousins.
- Children observe grownups around them – let the kids see you sharing.
- Point out the happiness the other person has on receiving whatever was shared, even as you give a pat or hug of appreciation.
- Help your elders in day to day activities e.g. serve a glass of water, bring newspaper, spectacles, books etc.

We are sending a bunch of worksheets for your ward to do and enjoy during the summer break. Submit it to the class teacher by 22nd of June.

Enjoy your Vacation!

Regards

Summer

By SinÉad McNally

Lie back on the fresh cut grass
And look up to the sky
Summer sunshine warms my face
As butterflies fly by

I rest my head and think about
The things that make me smile
Summer sunshine always makes
The world so nice and bright

Thank you Summer for the
sun

And all the reasons why
Summer is the best of all
The Seasons that go by!
